

Virtual Walk

A person is seen from behind, walking on a beach. They are wearing a teal t-shirt, black shorts, and a black watch on their left wrist. The background shows a calm sea and a hazy, sunset-colored sky. The overall mood is peaceful and active.

Virtual walk

Registration fee 100rs

A virtual race fundraiser is a fundraising event in which participants sign up to complete a virtual walk, run or ride while raising money for a charitable cause. Virtual races are completed remotely, rather than at a specific location on a set date. Participants can complete the race at their own pace and time, often tracking their progress using a fitness tracker or smartphone app. Virtual race fundraisers offer a flexible and convenient way for individuals and organizations to raise money for a cause they care about, and can be a fun and social way to get involved in philanthropy.
